40 Preset Keys

SM-100EV : Elevated Type
74 Preset Keys

SM-100P : Pole Type
40 Preset Keys

SM-100BS : Self-Service Type
72 Preset Keys

SM-100H : Hanging Type
76 Preset Keys

DISPLAY

Customers and operators can easily read the bright alpha-numeric LCD with back-light.

Large characters display the product name or scroll messages for promotions or store specials.

KEYBOARD

Water-resistant membrane keyboard stands up to frequent use.

RELIABLE PRINTING MECHANISM

Changing the thermal paper roll is easy through the large opening in the scale housing which enables quick loading of the label or receipt roll.

This access ensures easy handling of rolls and maintenance at the store level, reducing waste, error and costs.

POWERFUL COMMUNICATION CAPABILITIES STANDARD

Through the standard Ethernet or RS-232 interface, inter-scale and store controller communication is readily available.

With the Wireless LAN network interface, scale installation locations can quickly change without added costs. (Wireless network card is optional.)

Quick weight stabilization and fast label / receipt printing allows the operator to serve more customers and increase volume of the operation.

Barcode Scanner can also be connected to enhance the operation.

Nutritional facts and traceability information can be easily designed and printed for better customer service.
