

# HLSN "SMART" MOBILE FLOOR SCALES

HLSN with optional remote control

**Multi-purpose, easy to use mobile scales. Very practical to move and use, quickening the weighing of any product and in all work environments. The triple automatic reading range allows for the maximum accuracy on the lower weight values.**

## MAIN FEATURES

- Indicator with waterproof membrane keyboard with 4 function keys.
- Large high contrast display 25mm high.
- Digital calibration from PC
- Operates with 4 shear-beam load cells able to handle twice the nominal load.
- Carbon sheet steel bearing structure, oven-fire painted fitted with antishock and adjustable feet, level and wheels.
- Tilttable column attached to the platform with helm and wheels in nylon making it easy to transport.
- Accuracy: +/- 0.05% of the capacity.
- Programmable automatic switch-off
- Fitted with 9v alkaline battery (non rechargeable), with 35-hour operating time of continuous functioning (or up to 3 months of typical non-continuous use, thanks to the auto switch-off function)
- 12 Vdc power supply with 230 Vac external power adapter

## SELECTABLE FUNCTIONS

- **High Resolution Weighing x 10**
- **Net/Gross**
- **PEAK**
- **Accumulation**
- **HOLD**

## I/O SECTION

- RS232/C bidirectional port configurable for calibration and configuration from PC.

## FUNCTIONS

- Clearing; Automatic and manual tare; enabling selected function; on/off

## Available versions

Code	Dimensions (LxPxH)	Max Capacity kg	Standard Division g
HLSN	1000 x 1000 x 90	600 / 1500 / 2000	200 / 500 / 1000

## Options only available at time of order

Code	Description
DFTL	Remote control for use up to 8 m of distance.
